An Appeal

Dear colleagues of constituent and affiliated colleges, as the Vice Chancellor of the University of Burdwan I wish you all good physical and mental health. You know that in order to prevent spread of Covid-19 the State Government issued order for closure of educational institutions in mid March. Since there was no restriction on other activities, the University made a plan for distribution of answer scripts of Semester-III, 2019 (Rest lots) and Semester-V, 2019 to examiners through the Principals/TICs of affiliated colleges. This planning was disrupted due to sudden declaration of country-wide Lockdown. Meanwhile the Central as well as State Government has given relaxation (unlock phase-I) in respect of certain activities and things are limping back to normalcy. In this circumstance, it is proposed before the examiners concerned that they may collect the answer scripts of the above noted semesters (college-wise detail schedule will be provided by the Controller of Examinations to the Principals/Teachers-in-Charges/Officers-in-Charges) from their respective colleges on and from 01.07.2020 to 04.07.2020 or may collect from the AP section, Rajbati on and from 06.07.2020 to 08.07.2020 for early evaluation.

So, as the Vice Chancellor of the University and in the greater interest of the student community, I appeal to all teachers of affiliated colleges to collect, if required, more than one lots of answer scripts from the AP section of the university or from the respective college concerned as per your choice and evaluate them properly within stipulated time and return it to the concerned Chairperson/Convener/Head Examiner.

Please cooperate by responding to the communications of the Department of Controller of Examinations in all respect.

26.06.2020
Nimai Chandra Saha
Vice Chancellor
